Safety Warnings

Read all the instructions carefully before using the unit and keep them for future reference. Retain the manual. If you pass the unit onto a third party, make sure to include this safety and the instructions manual.

Caution!

- After unpacking, make sure the product is complete and undamaged.
- Keep all packaging material (plastic bags, polystyrene foam) out of reach of children.
- Use the product on a flat surface.
- Do not use the product in case of obvious damage.

Warnings!

- Only use this product when fully assembled.
- Do not overload your unit.
- Do not tilt the unit or lean over the sides – always ensure all casters are firmly placed on a level surface.
- Children should not play with the unit.
- Do not sit on the armrests.
- Do not lean over the armrests. This could cause the product to become unbalanced and result in injury.
- Always use the unit on a flat, stable surface to prevent injury.
- Do not use on slippery floor.
- Do not stand on the unit.
- If the damaged product is irreparable please dispose of the product. Using a damaged product may lead to personal injury.
- This product is intended for indoor household use.
- Do not put your fingers into the gaps of revolving parts.
- Fastening parts and wearing parts should regularly be checked for tightness and abrasion.
- To clean the unit, wipe the surface with a slightly moist, lint-free cloth.
- Do not use any cleaning fluids containing alcohol, ammonia or abrasives.
- Keep the original packaging for any future transporting requirements.
- Instruction manual needs to be kept for further inquiries and references.
- Do not leave your child unsupervised.
- Fully extend the expandable poles after placing the unit on the floor.
- After folding the unit, make sure that it is securely bound with the holding strap.
- While unlocking the steering wheel stand, make sure that the steering wheel support is securely locked.
- Secure the locks after making any adjustments.
- Make sure that user is out of the unit while adjusting the seat position.
- Assembly only by adults.
- Incorrect assembly can result in severe personal injury and property damage.
- Refer to the instruction manual for safe assembling.
- Danger might occur due to wrong assembling.
