# Safety Warnings

---

- Read all the instructions carefully before using the unit and keep them for future reference.
- Retain the manual. If you pass the unit onto a third party, make sure to include this manual.
- Do not disassemble the keyboard or remove any parts.
- Do not immerse the keyboard in water or any liquid.
- Do not use the keyboard close to heat sources or expose to high temperatures.
- Do not use the keyboard where strong electromagnetic waves are present. Strong electromagnetic waves will cause damage to the keyboard.
- Keep the keyboard away from direct sunlight, moisture, dirt or abrasive chemical products (cleaning products etc).

## Thank you

 for purchasing your new product.

We recommend that you spend some time reading this instruction manual in order that you fully understand all the operational features it offers. You will also find some hints and tips to help you resolve any issues.

Read all the safety instructions carefully before use and keep this instruction manual for future reference.

## Product Overview

The symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is

your responsibility to dispose of your waste equipment by handing it over to a

designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.
